Log into code.org (using Clever) and continue our coding class. If you have finished, try playing some of the coding games like Dance Party, or create your own minecraft world! (If you are an expert – try some of the coding opportunities on Scratch)</p> <p>**If you are looking for more to read, check out Junior Library Guild Online for books you</p>	<p>Activities: Week 7</p> <p>Have fun Researching your middle school</p>	<p>Activities: Week 7</p> <p>Have fun Researching your middle school</p>

Other Learning Opportunities

- Prodigy and See Saw are available for all students (Math)
- Mrs. Riley's students please continue to work on your selected centers or passion projects. New centers can be added as needed.
- [Mrs. Riley's Charlotte's Web read aloud 3-5 Activity](#)

Here is a read aloud of one of my favorite stories. It is a powerpoint presentation and you simply need to watch the "TV" to see me reading to you. To get started, click the word slide show and click from beginning. It does take about 2 minutes to load, so be patient. There is a link on the easel to questions to think about after each chapter. If you click on the little book cover in the corner it will take you back to the book reading slides. There are also blue links to activities and fun additions to the story in the questions. I hope you enjoy this extra experience!

Need technical help?

Please email our Instructional Technology Coach, Mrs. Charnick, at Charnigl@pwcs.edu

Office Hours: Wednesday 12:30-1:30
